

Maryland Council Officer Elections

The procedure for election of officers for Maryland Council of ENA is as follows:

Under the direction of the nominating Chairperson or designee,

1. Collect Curriculum Vitae from all candidates and summarize into a common format.
2. Attach the candidate information to the ballot, or, if lengthy, summarize the information for the ballot.
3. Add a "write in" line for all offices listed.
4. Send the ballot to all Maryland ENA members who have not opted out to receive emails.
5. Results will be tabulated and written for documentation purposes as part of the validation process.
6. Election results will be announced as soon as possible after the election to the membership.
7. If there is an objection or challenge, the votes will be recounted in the presence of the attending members and a majority of the Board immediately following the meeting or as designated by the President and the Nominating Chairperson or designee.
8. The new officers' names should be entered into the national ENA website by October 31.
